1. Read Section 6.1, pages 400-(top of)404. ***Stop*** when you get to **The Calculus of Inverse Functions**.

(a). Summarize the key points of these pages.

(b). List any of the concepts that are unclear. [Don't worry. We'll be discussing this section in more detail later.]

(c). Do Exercises # 3-8, 15, 31 on page 406-07.
